

Holy Hour at Cathedral of Mary of the Assumption

Tuesday Evenings

September 15 through November 3 • 6:00 PM

Please join us in a weekly Holy Hour under the Patronage of St. Martin DePorres, a beacon of light in the midst of racial strife. We will gather to pray for the healing of racial division in our country and that God would give the nation the leaders we NEED at election time in November.

- Inspired by the message and instruction of the Angel of Peace at Fatima, to offer adoration as reparation for the ways that race-based sins have damaged our nation and offended God.
- To offer adoration as intercession for healing of divisions in our land, especially between Black and White.
- To offer adoration and intercession for the grace of repentance and conversion for the United States of America, and that the Lord would give the USA the leaders we need in the upcoming elections, leaders that can help our nation live up to its deepest values and principles.

Doors of the Cathedral will open at 5:30 pm each Tuesday for this Holy Hour.

Due to current Covid-19 restrictions Masks must be properly worn with social distancing maintained. Cathedral and Diocesan directives will be followed.
